## EDUCATION

### Bachelor's in Computer Science (Ongoing)

American College Of Technology

11/2020 - 06/2024

With 3.57 CGPA

### Diploma in Hardware and Networking Servicing

Admas University

12/2017 - 12/2020

## PERSONAL PROJECTS

### Guzoye Bus Ticketing System (03/2022 - 04/2022)

- Developed in-house web app using PHP and HTML/CSS designed to provide customers with a personalized easy-to-utilize user experience for booking and purchasing tickets online.
- It stores customers' personal data records, scheduled routes, frequent trips, drop points, and other information.
- You can implement real-time seat availability, multiple payment gateways, offer seat map functionality, and other features. A transport booking eliminates human factor risks and improves conversion rates for your business.
